

## **El Rio Health LGBTQ+ Care**

El Rio Health provides LGBTQ+-affirming health services to our patients. We offer a range of healthcare services, including primary care, transgender health, HIV/AIDS care, and behavioral health services to help meet the needs of our LGBTQ+ patients.

El Rio LGBTQ+ health services include:

- Hormone administration and monitoring
- HIV & AIDS care and prevention (including PrEP and PEP)
- Specialized HIV, Hepatitis B, and Hepatitis C medical care and treatment
- Gynecological screenings and care
- Integrated services with our behavioral health, dental, and primary care
