

FULL HEALTHCARE SERVICES

According to the Arizona Department of Health Services, 66% of patients polled indicate that cost is a prohibitive factor for obtaining dental care.

El Rio patients have access to the full scope of services for about 50% of the cost of the same services elsewhere in Tucson.

We offer a full range of general dental care, including:

- Same Day Emergency Care
- Preventive Care
- Gum Disease Care
- Restorative
- Simple Oral Surgery
- Crowns
- Bridges
- Dentures

El Rio offers dental services to meet the diverse needs of you and your entire family.

HIGH-QUALITY DENTAL CARE FOR THE WHOLE FAMILY!

El Rio operates the largest non-profit dental clinic in the State of Arizona serving over 25,000 patients in Pima County Annually.

To make an appointment, please call (520) 670-3909.

EL RIO HEALTH

El Rio Health has multiple locations throughout Tucson. For more detailed information about services provided at each location, please visit elrio.org

EL RIO

HEALTH DENTAL SERVICES

El Rio provides comprehensive and compassionate dental care to pediatric patients. Our highly trained pediatric dentists are specialists in the care of children of all ages and patients with special care needs. Children should establish a dental home by age one, and El Rio is here to provide this service.

El Rio's Pediatric Integrated Health Home Program (PIHHP) works to significantly reduce the incidence of early childhood cavities in children. A dental hygienist works as part of the pediatric medical team to provide an oral health assessment and fluoride varnish treatment.

El Rio also educates families on the importance of oral health and encourages them to establish care at El Rio's dental department.

Same day emergency dental care is available. We recommend that patients call (520) 670-3909 in order to schedule an appointment for same day services. This will greatly reduce excessive waiting time that patients may experience if they choose to walk-in. You may choose to walk-in but you will be seen on an availability basis when a scheduled patient no shows for their appointment.

El Rio is committed to the overall health of our patients and works to ensure that they have accessible and affordable options. Children with AHCCCS (Arizona Health Care Cost Containment System), the state's Medicaid agency, have full dental benefits. Emergency Dental Care for low-income adults is available through AHCCCS. An El Rio Foundation funded program, the El Rio Dental Partnership Program, offers financial assistance for emergency extractions and fillings to qualified patients. El Rio also offers a reduced program for self-pay patients, based on household income. Payment options will be discussed when you register prior to your appointment.
