ABOUT US

NATIONAL RECOGNITION

El Rio Health has demonstrated its commitment to your health through certification by three of the most prominent organizations in the United States.

The National Committee for Quality Assurance (NCQA) has granted El Rio Health a Level 3 Patient Centered Medical Home Certification

What does it mean for you?

The program organizes care around you, the patient, working in healthcare teams and coordinating and tracking your care over time. This healthcare process facilitates partnerships between individual patients, and their personal physicians, and when appropriate, the patient's family.

Joint Commission Accreditation

What does it mean for you?

Our promise to YOU is high-quality health services that meet or exceed standards for the industry and to deliver EXCELLENT care to every patient.

HIMSS Davies Award

El Rio Health was awarded the HIMSS Nicholas E. Davies Award of Excellence. This award is the pinnacle of the HIMSS Value Recognition Program and recognizes outstanding achievement of organizations who have utilized health information technology to substantially improve patient outcomes and value.

Pharmacy-Based Diabetes Program

El Rio Health's Pharmacy-Based Diabetes Program provides intense one-to-one counseling and medical management of this complex condition often accompanied by high blood pressure, high cholesterol and multiple needed medications. This program has been nationally recognized as a Best Practice program by the American Society of Health Systems Pharmacists and has received an Innovative Research Award in Primary Care from the National Association of Community Health Centers. In addition, the American Pharmacist Association Foundation granted it the Pinnacle Award, only one of three awards given annually, to this program that assists patients in achieving better health outcomes, patient safety, improved quality of life and cost reduction.

HISTORY

Since 1970, El Rio Health has been providing quality, comprehensive, and accessible health care. Today, more than 130,000 people in Tucson come to El Rio Health for medical, dental, behavioral health, and other health care services.

MISSION

Improving the health of our community through comprehensive, accessible, affordable, quality and compassionate care.

WELCOME TO EL RIO HEALTH

ALWAYS AVAILABLE FOR YOU

Same Day Appointments

When you call us at **(520) 670-3909** every effort will be made to schedule a same day appointment with your provider. If your provider is unavailable, we will attempt to schedule you at the same location to ensure you receive care. In the event that we cannot accommodate your appointment at your selected location, we provide appointments at Same Day Appointment Clinic located at our Congress Health Center. **Please call as early in the day as possible.**

24/7 Nurse Telephone Care Line

El Rio registered nurses are available 24 hours a day, 7 days a week at **(520) 670-3909** to take your telephone calls for questions as well as if you need to seek immediate care. They listen, review your symptoms or concerns and can provide health education advice as well as schedule appointments, as needed. **CALL US FIRST—before going to an urgent care or emergency room** if you are unsure if immediate care is needed. We also have an El Rio Hospital to Home team that helps our patients transitioning out of the hospital with follow up appointments, medication questions and more.

El Rio MyChart

El Rio MyChart is a free, easy and secure way to view all your health information in one place. You can quickly schedule appointments and find care or connect with your provider or healthcare team, no matter where you are. All you need is internet access and e-mail.

El Rio MyChart gives you access to:

THE EL RIO HEALTH FAMILY OF HEALTH CENTERS HAS MULTIPLE LOCATIONS IN TUCSON TO SERVE YOU AND YOUR FAMILY.

More than **130,000 people** in Tucson come to El Rio Health for medical, dental, behavioral health, telehealth and other healthcare services.

YOUR HEALTHCARE HOME

A healthcare home is a place where healthcare professionals know your needs, history, and how to help you stay healthy. A healthcare home is not a building – it is a team approach to care that provides better access to all the services and support you need. That team includes: you, your doctor or other healthcare provider, the nurses and other staff - you may also want the team to include a trusted friend or family member.

El Rio's Health Home Mission and Vision

El Rio's Health Home mission is to provide our patients with integrated comprehensive quality of care with the ongoing vision to optimize their overall health and quality of life.

In a Healthcare Home

- You have an ongoing relationship with your healthcare provider and the right to obtain care from other clinicians within the primary care medical home, to seek a second opinion, and to seek specialty care
- You have all medical, dental, behavioral health and care management in one electronic record, accessible by El Rio MyChart
- There is better access to care with same day appointments, El Rio MyChart and 24/7 nurses to help you
- Community Health Advisors will provide:
 - Language assistance
 - Pharmacy assistance
 - Assistance with health insurance
 - Connecting to community resources
 - Health education, disease prevention & health improvement
 - Navigating through El Rio Health and the healthcare system
 - Self-management of chronic conditions
- Your care is based on medical guidelines which have been proven effective

What are the Benefits?

- Your healthcare team ...
 - is here to help you, not judge you
 - will help you find a specialist, if needed
 - will help you optimize your well-being
 - will help you customize your care
 - will help you understand your treatment choices
 - can refer you to community services when needed
- You will be able to communicate with your healthcare team & make appointments more easily via phone or El Rio MyChart
- You and your healthcare team will have a relationship based on mutual respect and trust
- Your cultural and religious beliefs are valued and taken into consideration when it comes to your plan of care
- You are given information to help you learn more about your ongoing health concerns

How Can I Get the Best Care?

- Bring a list of your top questions or concerns to discuss at every visit
- If you have a chronic condition (for example: diabetes, hypertension, or asthma), ask for a Care Plan that you can use to communicate with other providers involved with your care. A Care Plan should include your diagnosis, your provider's name, any medications you take, etc.
- Be open and honest about your health habits
- Always ask for something to be repeated if you do not understand it
- Ask your healthcare team to write down the next steps
- Ask about how to get care after hours, in case you need it
- Let your healthcare team know, during your visit, how you feel about how we are taking care of you
- After your visit, we will be contacting you for a brief survey to let us know how to improve

Health Insurance Assistance & Discount Programs

El Rio Health assists patients in screening eligibility for a variety of medical coverage options or discount programs, including:

- Pharmacy assistance
- HealthCare Marketplace
- El Rio Health Sliding Fee Scale*
- AZ State Medicaid

*For more information about El Rio Health's Sliding Fee Scale, please visit: elrio.org/slidingfee

LEGAL POLICIES

How do we stay accountable? You have the opportunity to communicate with us directly or to file a grievance without penalty.

Patient Communications

El Rio Health uses various communication methods to help you or your child stay healthy. These include phone, email, mail, text messages, and the El Rio MyChart to communicate for the limited purposes of appointments, available services and other healthcare related communications. Message/data rates may apply and you are under no obligation to authorize El Rio Health to send you text messages as part of this program. To opt-out of receiving these communications at anytime, call (520) 670-3909 or text "STOP" to any message.

Filing a Grievance

If you would like to express a concern or complaint about your care, treatment or safety, you can contact a health center manager, any staff member, a Community Health Advisor (520) 670-3716, the HIPAA Privacy Officer (520) 670-3767 or the El Rio Health Compliance Officer (520) 670-3967. If for some reason El Rio Health cannot resolve your concern, you may also file a complaint with your insurance plan; Arizona Department of Health Services at www.azdhs.gov, 150 N. 18th Ave, Phoenix AZ 85007, or call (602) 364-3030; The Joint Commission at www.jointcommission.org or the Office of Inspector General at (800) 447-8477. You may file a formal grievance without fear of retaliation or penalty for filing a report.

Federal Tort Claims Act Deemed Facility

El Rio Health is a Federal Tort Claims Act Deemed Facility. This health center receives Department of Health and Human Services (DHHS) funding and has Federal Public Health Service (PHS) deemed status with respect to certain health of health-related claims, including medical malpractice claims, for itself and its covered individuals.

SITE POLICIES

How do we maintain a comfortable, clean and safe environment? Each site location enforces the following property restrictions:

No Smoking Policy

For the health of all our patients and staff, all El Rio Health locations are designated as Non-Smoking Health Centers. Please refrain from smoking when you are visiting us. This includes all tobacco products, e-cigarettes and vaporizers.

Service Animals

El Rio Health follows the Americans with Disabilities Act (ADA) definition for Service Animals. Service Animals are animals that assist patients doing a physical function. Emotional support and comfort animals are not covered under the ADA, so we ask that you please leave your pets home during your visit.

No Weapons

Even though State Law may permit carrying of weapons, El Rio Health has a Policy that prohibits the carrying of any weapons while on our property. This includes guns, knives, tasers or like defensive devices. This policy does not pertain to active Law Enforcement Officers.
